## APPLICATION FOR TUITION ASSISTANCE

---

1. Tuition Assistance is available to families enrolled in the Preschool and 2s (formerly, FUM-Friends drop-off) programs. It can only be applied to tuition fees. Registration fees, fundraising obligations (if applicable), and any other charges remain with the family.
2. Applications for fall 2023 are due by 4 pm on July 12, 2023, with notification by July 31, 2023. Fall awards cover tuition payments from August through December 2023. The winter deadline is 4 pm on December 13, 2023, with notification by December 31, 2023. Winter awards cover tuition payments beginning in January 2024 through the end of the current academic year.
3. Return this application and relevant documentation (W-2, 2021 tax return, recent pay stubs, etc.) to the Treasurer. Please email the Treasurer at [treasurer@fumcnpreschool.org](mailto:treasurer@fumcnpreschool.org) for electronic submission, or to make arrangements for delivery of paper copies. For added security, please black out social security numbers on any documents. The application is not considered complete until all documentation is submitted.
4. The Executive Board makes all tuition assistance decisions. The FUMCN Executive Board is comprised of the FUMCN President, Vice President, Secretary, Treasurer, Membership Chair, and FUMCN teachers.
5. All information provided by applicants will remain confidential. The Executive Board reviews the information in part 2 only. Only the Treasurer may see who has applied for or received tuition assistance.
6. We are unable to offer awards that cover the cost of full tuition. Award size is determined by (a) local Income Limits as defined by the Department of Housing and Urban Development; (b) other circumstances listed in part 2; (c) the number of applications received for any given semester; and (d) the availability of funds. We urge families to consider their flexible schedule choices, in addition to the availability of tuition assistance, when making an enrollment plan for their child.
7. Applications are for one semester only. Applications received past the due date will be considered in the order received and only if funds are still available.
